

## XXII NATIONAL CONGRESS OF BIOCHEMISTRY

### Next-Gen Biochemical Challenges Across Borders

24-26 October 2024 | University of Aveiro, Portugal

Jointly organized by The Portuguese Biochemical Society and the University of Aveiro

## THOMAS LANCASTER

Dr. Thomas Lancaster is a Senior Teaching Fellow in Computing at Imperial College London in the UK, best known for his research into academic integrity. In 2023, he was awarded the Tracey Bretag Memorial Prize by the European Network for Academic Integrity, recognizing his contributions to the sector. Thomas has authored more than 50 peer-reviewed research papers, many written in partnership with students. He is a keen user of generative AI and is interested in ensuring that students work ethically with this emerging technology. You can find out more about Thomas at <http://www.thomaslancaster.co.uk>.
